

Scout Logistics Teams up with the Food Dudes to Give Thanks to Canada's Veterans

Dear Friend,

As you may or may not know, as a company, [Scout Logistics](#) is often involved with various charities and hospitals through our affiliation with the [Bridle Bash Foundation](#).

As a staff, we feel very passionate about remembrance and we understand that if it wasn't for the selfless acts of the brave men and women, fighting for our freedom for generations, many of us wouldn't be here today.

This year, as Memorial Day comes and goes, we wanted to show our appreciation for the Veterans who sacrificed their lives and to whom we owe our eternal thanks. Our company feels very passionate about Remembrance and understand that if it wasn't for the selfless acts of these brave men and women fighting for our freedom for generations many of us wouldn't be here today.

With this in mind we are pleased to announce that on Wednesday June 11th 2014, Scout Logistics will be teaming up with the [Food Dudes](#) to

host a dinner for the Veterans at Sunnybrook Hospital's Veterans Center in Toronto Canada.

The dinner will be held to honor those who fought for our freedom, sacrificed their lives and to whom we owe our eternal thanks; because we wholeheartedly believe they should be thanked not just on the 11th of November, but EVERYDAY.

Lest we forget.

The Scout Team.
