Bridle Bash foundation

BRIDLE BASH V 08.03.13

On Saturday August 3rd, Canada's most iconic and beloved band The Tragically Hip will be performing at Bridle Bash V and Scout Logistics is honored to have been named the marquee sponsor for this unbelievable event.

To have the opportunity to lend our support and donate \$100,000 to such worthwhile charities resonates with Scout Logistics as family is at the very core of what we are all about. Our company whose principles are based on the characters Scout and Atticus Finch from Harper Lee's famous novel "To Kill a Mockingbird" is extremely proud to be supporting the amazing charities involved in this venue.

We are even more thrilled that to date, the BBV has raised \$850,000.00, with sponsorships, donations and tickets sales supporting the following organizations:

Scout Logistics has always gone the distance to support projects in our community. Our staff have dedicated much of their time and effort to bring this event to fruition, and we look forward to what will be a night to remember!

We are very excited to party with all of you on August 3

rd

- it's going to be tremendous! Let's make some Bridle Bash history together!
